

**REMARKS**

The Applicants have amended the above-identified application by providing the correct claim references in new dependent claims 18-25. No new matter is added by this amendment. Please note that Amendment B presents the Amendments to the Claims as if Amendment A were already entered. Therefore, for all practical purposes, Amendment B can be viewed as a revision (in form only) to the claims presented in Amendment A. Thus, Amendment B simply places the application in better form for consideration of Amendment A.

It is respectfully submitted that all claims in the application (Claims 1-25) are in condition for allowance and an indication to that effect is earnestly solicited. However, if the Examiner believes that additional discussions or information might be necessary prior to allowance, the Examiner should feel free to contact the undersigned at the telephone number indicated below.

Respectfully submitted,

Date: 5 October 2007
